Dear Esteemed Fairfax County Police Department Chiefs Office,

Happy Holidays! I hope this letter finds you in excellent health and high spirits. With great pleasure, I introduce you to Canine Concierge Corporation, a groundbreaking nonprofit organization set to transform the lives of our community's needy individuals.

At Canine Concierge Corporation, we genuinely desire to make a difference in the lives of those who find solace and comfort in the presence of animals. Drawing on medical recommendations, I founded this remarkable nonprofit organization in [March](#), driven by the belief that dedicating time and resources to a noble cause benefits the recipients and nourishes my sense of purpose as a retiree.

Our vision is to provide a safe and enchanting haven, free of charge, where individuals can reserve time with our specially trained and certified animal-assisted therapy (AAT) dogs and their handlers. The healing power of these incredible creatures has been proven repeatedly, offering many benefits ranging from aiding recovery after heart attacks, strokes, and seizures to reducing stress, anxiety, and fear. Our therapy dogs create a sense of calmness, lower

blood pressure, encourage social interaction, and provide much-needed companionship in various settings such as hospitals, nursing homes, rehabilitation facilities, senior citizens' centers, and even police stations.

While the animal-assisted therapy (AAT) industry has existed nationwide for [over two decades](#), major insurance providers must acknowledge its importance and provide comprehensive coverage, which they currently do not. Canine Concierge Corporation aims to break down barriers and raise awareness to ensure that AAT services receive the recognition and support they deserve.

With unwavering determination, we have diligently worked towards finalizing the legal aspects of our nonprofit venture. I am proud to share that we have secured the necessary licenses, registrations, and active insurances to ensure transparency and compliance are at the core of our operations. To familiarize yourself with our organization's legal framework, you can visit our website: <https://canineconciiergecorp.com/legal>.

We eagerly await approval of our [501c\(3\) tax-exempt status](#) and have already obtained our Employer Identification Number from the IRS. Furthermore, our compliance with the State of Virginia's requirements, including tax registration and nonprofit charity licensing, is immaculate. The State Corporation Commission recently awarded us its [Certificate of Good Standing](#).

As we embark on this exciting new venture, we call on the Fairfax County community to join us in our efforts. We recognize the importance of the county and its governmental officials in supporting community-based initiatives. With your help, we can make a significant difference in the lives of those who need it most.

We are recruiting for our Board of Directors, including Secretary and Treasurer roles. If you know of qualified candidates in the Fairfax area, please refer them to our website: <https://canineconciiergecorp.com/team>. Your non-monetary contribution will help us provide vital services to those in need and positively impact the community. Together, we can create a brighter future for all.
